

Българска Асоциация за Лекарствена Информация (БАЛИ) Bulgarian Association for Drug Information (BADI)

It has been another successful year for the BADI Association.

We continue the tradition every year, increasing the number of our trainings, lecturers and course participants. BADI has organized over 107 trainings for more than 7000 experts, with over 530 lecturers from Bulgaria and other EU countries, in the last 13 years.

On December 08, 2023 BADI organized a Christmas party with guests from the state administration, Ministry of Health, BDA, NCPRMP, speakers and activists of the Association, representatives of the pharma industry, mainly heads of regulatory departments or directors of branches of pharmaceutical companies in Bulgaria.

BADI awards with a special award - a plaque, leading directors of the Commission, as well as distinguished members of the Association, for contributions in the pharmaceutical and regulatory sector:

- Prof. Guenka Petrova - For Achievements in Bulgarian Academic Education - for achievements in higher education, as she has successfully retained the position of deputy for several years. Minister, and who was the long-time chairman and main founder of BADI.
- Prof. Ilko Getov - For Achievements in the Pharmaceutical Sector, who has held a number of management positions in the pharmaceutical sector, also among the founders of BADI.
- Mag. Pharm. Bogdan Kirilov - 5 Years Successful Management & Collaboration in Drug Regulatory Affairs, who managed to lead BDA for 5 years, which is a serious challenge.
- Anniversary Award - 10 Years of National Council on Prices and Reimbursement of Medicinal Products - Most Effective Team - For more than 10 years, the leadership team of the NCPRMP has been preserved without significant changes, and to this it owes serious results and successes.
- Dr. Bozhidar Krastev - Most Active Practicing Physician in Drug Regulatory Affairs - the only doctor, clinician who is very interested in pharma regulations and has not missed a single BADI event - both live and online, given that for each event on site, it even moves from Plovdiv.

Българска Асоциация за Лекарствена Информация (БАЛИ)
Bulgarian Association for Drug Information (BADI)

The Deputy Minister of Health - Prof. Ilko Getov, the Director of the Bulgarian Drug Agency (BDA) - mag. Pharm. Bogdan Kirilov, as well as the Director of the National Council for Prices and Reimbursement of Medicinal Products - Assoc. Silvia Terezova, together with experts from the NCPRMP. For the good mood of the attendees, BADI had prepared a program of the event - the Illusionist "Bobby Shaw" with a lot of surprises and comical situations, and the Representative Dance Ensemble "Kremikovtsi".

All the guests also received gifts, on behalf of the entire team of the Association, on the occasion of the upcoming bright holidays.

Thank you to everyone for the trust, participation and presence.

We hope to keep the trust we have earned in the future.

In the new year we will continue to make the learning progress of our members as our main priority and goal of the Association.
